"I thank you for your concern.."hurried out to get the lease from my secretary.."Oh, I couldn't I'm too unlucky.."wrapping them from head to toe in strips of webbing like human maypoles..explain)! is one of the ghastly facts of American education. Some defenses against this experience take the form of asserting there's no such thing as great art; some, that whatever moves one intensely is great art. Both are ways of asserting the primacy and authenticity of one's own experience, and that's fine. But whatever you (or I) like intensely isn't, just because of that, great anything, and the literary canon, although incomplete and biased, is not merely an insider's snobbish conspiracy to make outsiders feel rotten. (Although it is certainly used that way far too often.)..together and secured with rubber bands. He opened the stacks and bundles and examined them at.Bless you, what makes you think I know? (See, there goes Byline.) Actually, critics can make educated guesses from time to time about the tastes of some groups of readers. Editors must, such judgments being their bread and butter?and look how often they fail. If judgments of beauty and truth art difficult, imagine what happens when the issue is escape reading, i.e., something as idiosyncratic as guided daydreams. Perhaps the popularity of series novels is due in part to readers* desire for a reliable, easily reproducible pleasure. But the simplest good-bad scales (tike the Daily News system of stars) is always colliding with readers' tastes. Some writers and publishers, in order to be sure of appealing to at least a stable fraction of the market, standardize their product This can be done, but it tends to elimi-.enslave all planets in their path. You, as Captain of the Avenger, the great Terran warship, will."Lou's not going to make it." He gestured to the bunk where a heavysset man lay breathing raggedly into a clear plastic mask. You probably didn't see them on the way in, but you saw the models. They're very light,."I'm Miss Georgia." "No, no, you must go," Hinda said again. "I cannot have you here at night If you love me, go." Then.different chemistries. But it's hard to believe that you've survived eating the food these plants produced.offering with a sigh of pleasure or gasp of delicious dismay. In the course of it she stopped calling me Mr..not involved. They care, but not enough..Dramatization is another. I ((like many reviewers) often stage a tittle play called The Adventures of Byline. Byline (or "1") is the same species of creature as the Kindly Editor or the Good Doctor, who appear from time to time in these pages. That is, she is a form of shorthand. When Byline rewrites story X, that doesn't mean that I?the real, historical personage?actually did or will or wish to rewrite story X, or that I expect its real, historical author to rewrite it to Byline's prescription, any more than my saying that "my" copy of Bug Jack Ban-on tried to punch "me" in the nose means that such an event really happened. Pauline Kael's Movie Loon is another such fiction; these little creatures we send scurrying about the page are not our real, live selves, and their exploits are dictated more by the exigencies of our form than by a desire for personal glory.."Easily," said Amos. "I have red hair, I have freckles, I am five feet, seven inches tall, and I have.my life was that she did not have Selene's conscious coordination. The poker only brushed my forearm.we saw your light.".He looked at me, grinned, and shrugged..sure you have things under control. J.L. is, by the way, interested in access to Zorphwar on his own."I passed," he announced incredulously to the clerk at the window..It was impossible to answer with ice in my chest. I could only stare back while she hunted around for her hairpins..By now, I am sure, the Naval Support Bid Team has descended upon Programming Services to begin costing out the proposal for a production version of Zorphwar. They are talking about a system with one hundred terminals running on two Megalo 861's for starters. Eventually they may order a dozen 861's. Everyone here in Headquarters is too excited about the prospect of selling that kind of hardware to worry about why the program was written in the first place.
